Orienteering "Have a go"

(ROL)

Well the fire alarm going off ended our "have a go at orienteering" on Weds afternoon before we had even started.

If you are free today (Thursday 16th) straight after school then we will set up the course again for you to have a go at orienteering.

Bring a friend with you if you like and we will help you read the map and have a go at a course with your friend or on your own.

So meet straight after school in Paradise outside the uniform shop. It should take no longer than 15mins to complete the course.
