General Stationery Drive	Your tutor class!		(zRAM)
<p>The 2018 EGGS stationery drive is underway! This is where we take up a big collection of all of our EGGS students unused stationery, and use it to support a school whose students don't all have access to school supplies. This year we will be gifting our stationery to Wesley Primary school, a local decile 1 school. The kids at Wesley primary will be so excited and grateful to receive any stationery items that you can donate, but there are some items that the school have requested in particular that would be useful, and a list of these is going to be on posters put up around the school.</p> <p>So please, when you go home, try and find any pens, scissors, glue sticks, pencils, rulers and anything else on the list, that you have that is unused, or even go out and buy a couple of these items. There will be a a box in your tutor class to put the stationery donations in, and we will collect these up at the end of week 8 to gift to Wesley Primary. Every little bit counts, and will be a huge blessing to this school, so please bring in anything you can to your tutor class! Thanks :)</p>
